EDITOR'S LETTER

The world, I've come to realise, is a very unreliable sort of place. No sooner have you finished building and provisioning the nuclear bunker behind the shed and suddenly the Leader of the Free World and his Little Rocket Man are having a full-on bromance! Well, If you're struggling to make sense of it all at least you can always depend on *Mayfair*, and this month we've got newbies Amber Jade and Cassie Clarke joining Dani Maye, Katy Jayne, Lauren Louise and co. Hmm, maybe that bunker will come in handy after all...

PARTY GAMES

Dear *Mayfair*,

My girlfriend Anita and I have always liked to push the boundaries when it comes to fucking and I have been lucky enough to fulfil many of my fantasies over the last two years.

One of our favourite pastimes is to attend a monthly sex party that a couple we know like to organise at a house out in the country.

Watching Anita being screwed by another bloke or seeing her licking out some dolled up babe's fanny while I stuff my dick in and out of the stranger's mouth is the horniest thing in the world.

Last month's party was the best so far, as there were eight other couples and it got really wild, really quickly.

All the women at these events go to town on dressing up, and as a lover of sexy lingerie and kinky gear my cock gets hard as soon as I walk through the door just looking at all the sexy goodies on offer.

I always stay with Anita until she has paired up with someone she fancies, and it only took a few minutes before she was snogging this hunky Mediterranean guy's face off while he groped up her skintight mini-skirt. I helped him out at first by easing Anita's big firm tits out of her bustier and sucking on the already hard nipples as our new friend began fingering Anita's naked pussy. Anita comes easily and I'm not sure what this man did

but he had her groaning and moaning almost immediately. And by the way my girlfriend's stockinged thighs were trembling, I knew she would be climaxing all over his fingers in seconds.

I was just deciding whether to send her over the edge by tickling her puckered little bumhole with my tongue, when I felt a hand close around my rigid prick that was still painfully restrained inside my trousers. Turning, I saw this gorgeous

COR – TINA!

Dear *Mayfair*,

I Was delighted to see you've finally woken up to the charms of Tina Kay in your latest issue! What a stunning set of pictures, featuring this super sexy young woman in all her glory. She looked exquisite in that lingerie set, which framed her beauty and her gloriously shaven pussy to perfection – a pussy which reminded me a little of a *Mayfair* favourite of yesteryear Gilena Hooton. A cracking set of a cracking model, who I feel sure will go on to become a firm Mayfair favourite herself.

Eddie, Winchester.

Hmm, yes, there definitely is something of Gilena's famed fanny about Tina's – well spotted! – Ed.

THE MASS DEBATE RAGES!

Dear *Mayfair*,

Thank you for extending the invitation for comments on Duncan's letter in 53.02 followed by Rob's letter in 53.04 on what I would describe as the 'Mayfair Master Debate' on the subject of the levels that models perform at.

As a very long-standing reader of *Mayfair* I have no complaints about its quality, content and model-screening process, and I thought it a little unfair to single out both Nicole and Suzi for not being as revealing as they might have been. Both are beautiful girls and I hope that they both return to *Mayfair* before long at levels of their own choosing (especially Suzi, who has a stunning face, a beautiful lithe body with pert tits and a firm bottom and is surely every man's dream on several levels, and whose pictures I have returned to again and again for a bit of stimulation!).

There is a three-way relationship here: 1. The product – *Mayfair*. 2. The Models, and 3. The Readers. If there is any disconnect between any of these then everything will come to an end. Models have got to be treated with respect, and they also need time and space for their careers to develop and the last thing they need is any undue pressure. Readers should remember some of the now regular girls like Emma Green, Penny Lee, Holly Gibbons and Kerry Lee who all started modeling in *Mayfair* at pretty soft levels but with each subsequent set, as their confidence grew, their poses became more daring and the gaps between their legs gradually widened! None of these girls would have survived if *Mayfair* had adopted a hard-line approach. In addition to the aforementioned girls, others like Jamie (52.09), Lauren (52.10) and Charlie (52.13) are as near to offering the full-on display as hardly matters.

Extreme feminists are driving a killjoy agenda at the moment, telling girls they are being oppressed by posing in men's mags, but in fact the opposite is the case – the models are the ones calling the shots with men like me just putty in their hands, and long may it last!

Mick, Co, Meath.

Many thanks for your thoughtful letter, Mick – and to everyone else who's written in on this subject. Needless to say opinions are divided somewhat, but we shall strive to steer a course between the two stools that serves the interests of the models and the readers as much as we possibly can! – Ed.

blonde, who, although the wrong side of 40, looked incredibly fuckable.

MILFs have never really been my thing, but in her tightly laced corset and suspenders she was definitely going to get some of my attention.

As she unzipped me and pulled my dick from my pants, I kissed her on the mouth, slipping my tongue between her lips while keeping one eye on Anita's dirty display beside me. She also had a cock in her hand and looked me straight in the eye just as she pushed the end of it into her mouth. My new lover was wanking me as we kissed and I squeezed one of her large tits through her satin bra as Anita noisily sucked on the man's big, thick prick. He reached over and began to play with my new partner's arse, which seemed to trigger something in her as she pulled me by the cock towards her. Lifting one stiletto-booted foot up onto a chair, she wriggled my dick against her wet hairy snatch, trying to push it inside her while the other guy continued to finger her bum from behind. Another girl had moved in on Anita by now and was slurping at her slit as she crouched in front of her swarthy, well-hung stud.

Suddenly my meat disappeared up the MILF's well-oiled gash and I could actually feel the other guy's fingers pumping her arse through the walls of her fanny. I gripped her large knockers and started chewing on her teats as Anita came with a muffled yell in the girl's mouth, her cheeks still bulging with dick. Her bloke

had decided to concentrate on my girlfriend by now, and it was a real turn on to see him grip her head, fucking her hard and fast in the mouth while the brunette who had sucked her off wriggled beneath her until she was able to lick his bollocks as Anita gave him head. The woman I was fucking stuffed her hand between our bodies and frantically rubbed her clit, causing her cunt muscles to pulse around my meat as she came. She may have been older than Anita but her love tunnel clenched my prick like a vice as she orgasmed on me.

I was desperate to unload by now, and Anita's new pal had obviously had the same idea, as he dragged his saliva coated dick from her mouth and, with a deep growl, began to squirt thick white seed over my babe's face and the upturned face of the girl who'd been sucking his balls.

I slipped my own cock out of the gooey hole I'd been humping and she helpfully pointed my tool at my girlfriend. The other guy's spunk was literally dripping off Anita's chin as my first jet of jizz fired down her cheek. Anita began to snog the girl beneath her as I sprayed them both with come, the sticky goo dribbling out of their mouths as they kissed.

A couple of other blokes were already moving in on the sperm splattered Anita and her hot lezzie pal as I fondled the cunt I'd just screwed and waited for my next erection.

Anita had six different dicks that night and I had more pussy than I can remember, but as we headed home in the car, spunk oozing from Anita's hole and forming a sticky puddle on the seat, we were already looking forward to the next one.

THE STATE OF GRACE

Dear *Mayfair*,

I don't really fancy many women (and by that, I mean that it takes a special kind of woman to attract me) but Grace at work instantly caught my eye. She had beautiful auburn hair, a pretty upturned nose and the sexiest laugh I've ever heard. Plus, her figure was the sort that I wanked over in my teens – long, long legs and pert little tits. And we got on like a house on fire, too, but we'd just never gotten round to actually hooking up. So I was gutted when she got another job and left the company. I kicked myself for not asking her out, or at least getting her number – and Facebook seemed a bit impersonal to ask a friend out on a date!

Then, one Friday evening, as I was driving home from work and I saw her unmistakable legs and glorious arse walking along ahead of me. I pulled up, feeling like some kind of kerb-crawler, but as soon as she saw me her face lit up and she cheekily asked me for a lift home. Even better than that, when I dropped her off after a really nice catch-up she asked me to come in.

I thought we'd just have a polite coffee at the kitchen table or something, but Grace seemed happy that I was there, ushering me into the lounge opening me a beer and throwing a takeaway menu in front of me. I must have looked surprised, because Grace laughed, "Well, I assume you're not going anywhere as we have a lot of time to make up for," she said, looking me straight in the eye, before adding, "Plus, I'm sure you haven't eaten yet?"

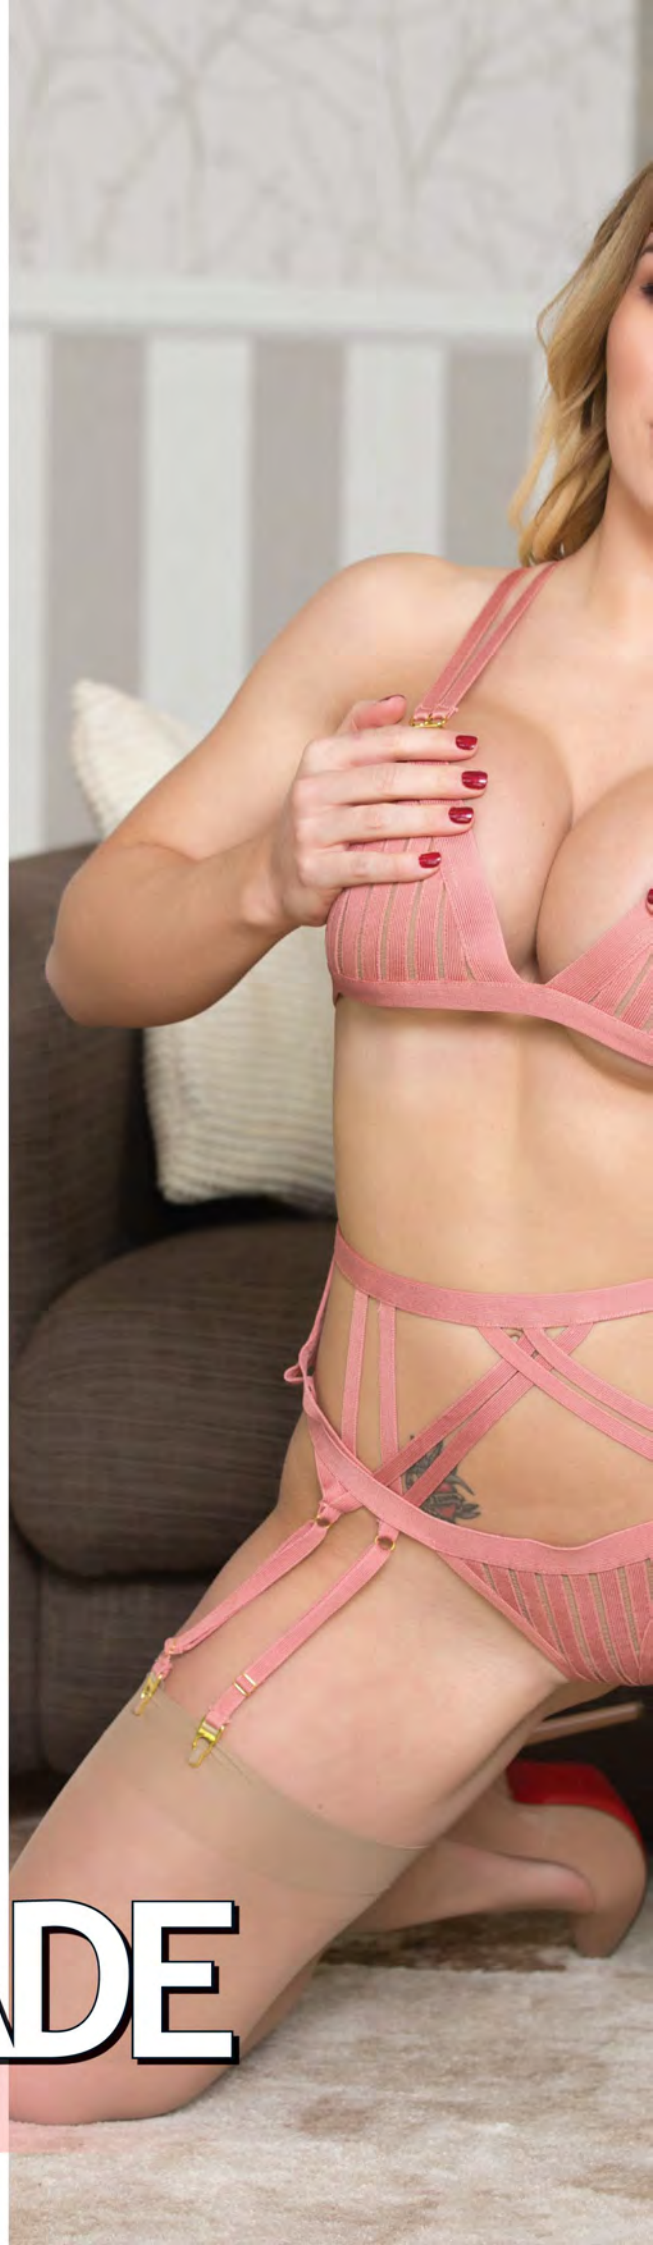

Two beers, a Chinese takeaway and a whole lot of flirting later, she asked me why I'd never asked her out, saying that she'd given me enough come-ons. "Because I'm a fucking idiot?" I said, only half-joking. She laughed and the next thing I knew we were kissing, tentatively at first but then more and more passionately.

As the intensity and lust increased, Grace suddenly straddled me, pushing her boobs into my chest as she snogged me, before saying sexily, "Well, it's not like you can drive home now that you've been drinking..."

Ramming my tongue in her mouth, I grabbed hold of her tits, squeezing them and rubbing her nipples with my thumbs. I felt her reach behind and undo her bra, so I slid them up inside her top and fondled them some more, sucking on the nipples as she pulled off her clothes, moaning and grinding into my crotch. I was in heaven!

I moved my hands around her arse, cupping her tight cheeks through her jeans. I couldn't wait to see her rounded buttocks in the flesh – I'd been fantasizing about them for years and now I

So debate rages on about how naughty the models out to be who appear in *Mayfair*, but we're delighted to say that busty Babestation beauty Amber Jade's not going to be holding anything back on this, her debut appearance in the magazine!

"Well as it happens I'm quite proud of my pussy and am more than happy to show it off!" she insists. "Knowing that there are loads of horny guys out there looking at me and getting off on it is the biggest turn-on ever, and I really hope they like these pictures and want to see more of me in *Mayfair* soon!"

We reckon that sounds like a pretty safe bet, Amber!

M

was about to actually feel them!

Her jeans were too tight for me to get my hands inside easily, so Grace stood up before me and made a show of taking them off; bending over and peeling them down over her peachy bum and to the floor – a sight that got my hard-on twitching. Grace commented that my pants looked way too tight for my “huge bulge”, so she unzipped my trousers and began tugging them down while I rubbed her snatch through her silky knickers.

The gusset of them was soaking, making my dick throb with the anticipation of not only viewing Grace’s pussy for the first time, but also plunging my engorged length deep inside it. It was just as I was having this particular thought that Grace pulled my pants down to reveal my hard-on. My cock-head was dribbling with pre-come and my need to fuck this gorgeous creature intensified when she scooped some up with her finger before licking it off, shutting her eyes as she savoured the taste. Then she bent her head towards my crotch and closing her mouth around my bell-end, tonguing my tip to suck the rest up. She had the most fantastic full lips, and they felt so soft but firm around my shaft.

**SHE RODE ME HARD,
AND THE SIGHT OF HER
BOOBS JIGGLING IN MY
FACE IS ONE I’LL NEVER
FORGET...**

She built up a rhythm quickly and it felt amazing. I could have easily let myself come in her mouth, but I knew she had other things in mind. Just as I started to feel the pleasure really build, she pulled away and straddled me again. Guiding my hand to her dripping wet pussy, there was no doubt what she wanted as she pushed my fingers right inside her. As she then began to wank me, I fingered her furiously, but I knew it would take more to satisfy her.

I wasn’t wrong – as she became more turned on she became more wanton, shifting about on top of me until she started using my helmet to frig her clit. I pulled my fingers out, wiping them against her tits, and no sooner had I done that than she had my cock against her slippery hole and her pussy swallowed it whole.

She rode me hard and the sight of her boobs jiggling in my face was one I’ll never forget. Especially when she climaxed – I held her hips and fucked up into her, slamming my prick inside her spasming cunt, her tits bouncing with every thrust as she moaned and groaned.

I felt myself getting close and as Grace’s orgasm reached its peak, her nails raking my back and heels pumping away up against my arse. I couldn’t hold back any longer and I came, flooding her cooze with my sticky seed.

CALIFORNIA DREAMING!

Dear *Mayfair*,

I heartily agree with whoever wrote the copy to accompany the photos of the stunning Nicole Aniston this issue (53.05) – she really is the ideal of Californian womanhood! I defy any of your readers to think of a more enviable situation than returning to your sun-kissed villa to find Nicole stretched out on the balcony, her neatly-trimmed pussy all pink and inviting! Go on – anyone?! Please pass my heartfelt thanks on to Nicole herself and to the photographer Tammy Sands for capturing her beauty so magnificently! Needless to say, this is one issue I’ll be hanging on to for a very long time!

Martin, Barry.

We fucked for most of the night and it was absolutely fantastic. We are on the same wavelength sexually and she turns me on more than any woman I’ve ever been with before. We’re still together 10 months later and I honestly can’t believe how dirty she is. She’s opened my mind to so many new things – including remote controlled love-eggs (and yes, I do have

control of the remote!), pegging and filming ourselves, amongst many other things! We’ve also started fantasizing about bringing another person into the bedroom and it may well happen in the future, but for now I’m quite happy exploring the mind-blowing sex I’m having with the girl of my dreams!

Katy Jayne's debut appearance in *Mayfair* towards the end of last year prompted quite a flurry of correspondence, although to be honest we knew she would and had already booked her for another shoot anyway! And, just to add to the occasion, we thought 'Wouldn't it be nice to see her in a classy basque that's just right for showing off her curvy charms?' so that's what we've done!

"I love getting dolled up in this sort of clobber – it always makes me feel extra horny! It makes me want to find a suitable guy and drag him by the tie up to my boudoir, where I can ravish him!"

Anyone got a tie I can borrow?

XC... BEAST!

In this month's Mayfair we are looking at the rise of a new breed of large SUV's. The Hybrid...

Over a decade ago I bought a Volvo XC90 D5 Geartronic, in black with all the extras. At the time the XC90 was just the right mix of size, look and economy, compared to pricier German equivalents, and the same road footprint Range Rover Sport was like getting into a Mini.

Moving forward to today, does the current XC90 look like the success the first generation one was when it launched in 2002...?

from the heavy batteries, manages to be the most comfortable of all the XC90s. Whichever model you choose, though, we'd suggest going for the smallest wheels possible. Essentially, the smaller the wheel, the better your XC90 will ride, so avoid the vast optional 22in alloys at all costs.

While you're unlikely to tackle a series of B-roads just for the hell of it, it's good to know that body control is generally impressive, and for such a tall car it stays pretty level through turns, with good

and in cars with larger alloy wheels.

The XC90s come with electric adjustment for the driver's seat that includes adjustable lumbar support, so finding a top-notch driving position

THE TOP-LEVEL

AND WALNUT INLAYS.

shouldn't take you long. In fact, it's one of the most comfortable cars in the class to get behind the wheel of, helped by Volvo's perennial ability to develop brilliantly supportive seats.

Volvo has chosen to go down the same touchscreen route as you'd find in the Tesla range, which is very much in vogue at the moment. The big plus point is its

size, an extremely high-definition 12.3" TFT (in all but the T8 version) tablet-style screen. But, as with all touchscreens, the screen icons are trickier to use on the move than physical buttons. And with so many operations incorporated into the screen, the Volvo's menus can be confusing to work through.

A system called Volvo On Call offers on-board Wifi, and you can also download an app to your phone that lets you activate the climate control remotely, so you can get the temperature just right

on hot summer afternoons or cold winter mornings, and

forward a route map to the sat-nav while you're at it.

The standard 10-speaker stereo sounds good, but there's an excellent 18-speaker Bowers and Wilkins hi-fi upgrade, although this will cost you a small king's ransom.

Unsurprisingly, the top-level Inscription trim feels the plushiest with its fine-grade Nappa leather seats and dashboard trim, as well as swish, walnut inlays. Then there's the T8 model's unique touch: a blown-glass gear lever sourced from a speciality Swedish glassmaker, which looks and feels particularly splendid.

The R-Design model, meanwhile, adds sporty metal inlays and sports seats which helps with the feel of quality.

The back of the XC90 is a great place to sit if you're tall, with ample headroom. It's

All XC90s come with an eight-speed automatic gearbox, which can feel a little hesitant in D5 diesel form when you want a quick burst of acceleration off the line but is generally smooth thereafter.

The T8 hybrid's combination of a petrol engine and electric motor makes it properly quick and easily the fastest XC90 of the lot, dispatching 0-62 in only 5.5 seconds. It shoots away from a standstill with some urgency, and follows up with enough surge for easy overtaking at faster speeds. It also has a greater electric-only range than other plug-in hybrid rivals.

At low speeds the XC90 tends to pick up on cracks, bumps and expansion joints a fair bit, but the ride becomes smoother at higher speeds, allowing the big Volvo to settle in to a comfortable motorway cruiser.

The T8, despite its increased weight

stability over peaks and troughs in the road. Corner with spirit and you'll also discover decent reserves of grip, while the standard four-wheel drive system gives you largely unflappable traction off the line.

The T8 model, though, has a greater tendency to sway about in bends due to the weight of the batteries.

If you are doing the school run or daily commute to work, and running on electric power alone, the T8 is the quietest XC90 of the lot. Push on a bit harder, though, and you'll notice the petrol engine kick in, but even then it's still a refined driving experience.

Wind noise is relatively well suppressed in the XC90, but road roar from the tyres is nowhere near as hushed as the Discovery or Q7. Suspension noise is noticeable, which you're aware of most at low speeds

"THE T8 HYBRID'S COMBINATION OF A PETROL ENGINE AND ELECTRIC MOTOR MAKES IT PROPERLY QUICK, DISPATCHING 0-62 IN ONLY 5.5 SECONDS."

also roomy for three in the middle row, although the XC90's raised middle seat isn't especially comfortable to sit on.

All XC90s come with seven seats as standard. In fact the T8 model is the only hybrid SUV to retain its third row of seats, which on rivals are foregone, with the batteries taking up the space. With the rear-most seats in place there's enough room for average-sized adults and children to be content, but anyone tall will be smarting on a long trip from the lack of space.

Volvo says there are 'Scandinavian influences' everywhere in the new Volvo XC90. Take the T-shaped 'Thor's Hammer' daytime running lights, for example – the narrow light bars give the XC90 an aggressive glare, helped by its deep front bumper and bluff radiator grille.

Despite the square-set front end, the rounded wheel arches and raked windscreen pillars provide a sleek and aerodynamic look. At the rear, the XC90 is less striking, but the brand's designers have still used the light clusters to good effect. The tail-lamps run from the top of the boot right down to the bumper and, with Volvo's traditional shoulder kink halfway down, the XC90 is instantly recognisable in the dark. There's also a small boot lip spoiler and a few creases in the tailgate. Combine that with the car's dual exhausts, and it makes for a crisp rear end.

Standard equipment across all models is comprehensive, but if you are happy to splash the cash, spending a little over £4k on the Inscription spec upgrade will add a powered passenger seat, Nappa leather upholstery and 20ins alloy wheels. Opting instead for the R-Design upgrade costs a few hundred pounds less, and brings 'sports' seats in leather and nubuck, adjustable Drive Mode settings and gearshift paddles.

While not cheap, the Volvo XC90 is competitively priced; it's certainly cheaper to buy than the equivalent Porsche Cayenne, Audi Q7 or Land Rover Discovery.

The T8 makes the most sense for company car drivers, thanks to its tiny CO2 emissions that place it in a low company car tax bracket. However, be warned that the promise of extremely low fuel consumption will only materialise if you drive mostly on electric power, which is maximised by short trips in town. Motorway driving depletes the battery quickly, and once it's gone, the petrol engine kicks in and the MPG figures take a tumble. At this point it's no more frugal than the juicy petrol T6 model.

In the most recent JD Power dependability survey the Volvo brand finished in the lower half of the table, and it was a similar story in our last reliability survey, where the manufacturer placed 25th of the 37 featured. Not hugely impressive then, but better than BMW, Audi and Porsche, which were lower still.

All XC90s come with a three-year, 60,000-mile manufacturer's warranty. T8 XC90's have their battery packs covered by a separate eight-year, 100,000-mile warranty.

So has the second generation captured the essence of the first

generation XC90? In a word, yes, and at £60,000 plus, it can also be a good option for the average family car.

With the cost of fuel nowadays and the manufacturer's claims of over 100mpg, the car looks a good choice for a large family wanting to take little Johnny to his football practice, or the little princess to ballet. But, if you do 20k+ miles a year, then you should take a test drive on the Motorway on a Friday night and see what the real world fuel economy is before shelling out.

However, with the fear of extra tax on diesel cars, if you are in the market for a large SUV hybrid, this car is a sensible choice.

Well, from a couple of girls who are still finding their feet in the wonderful world of *Mayfair* to one of our fave models of the last 10 years or so – although she's still only 29! Dani Maye's just seems to go from strength to strength, doesn't she?

"I'm sure you say that to all the girls!" she grins, and to be fair, we're not above a little flattery now and then, but in this case it really is the truth and we bet she knows it, too!

"Well, I like to keep in shape, so I'll believe you this time – let's see if you can say the same in another 10 years!"

OK, it's a date!

Derbyshire's one of those counties it's easy to overlook – at least it would be if it weren't so hilly! But it's actually produced quite a few things we'd all be much worse off without – Derby scones, Derby hats (bowler hats, basically), and, er, Donkey Derbys. It has also produced the rather wonderful Lauren Louise, who's here for only her third appearance, since she first graced our pages over a year ago. So Lauren, has Derbyshire got anything we've forgotten? "Well We're very proud of our Bakewell tarts!"

Really? Perhaps you could introduce me sometime...?

A blonde heard that milk baths would make her beautiful, so she left a note for her milkman to leave 30 pints of milk. When the milkman read the note, he felt there must be a mistake. He thought she probably meant 3 pints so he knocked on the door to clarify the point.

For years, two heroic statues, one male and one female, faced each other in a city park, until one day an angel came down from heaven.

"You've been such exemplary statues," he announced to them, "I'm going to give you a special gift. I'm going to bring you both to

life for thirty minutes, in which you can do anything you want."

And with a clap of his hands, the angel brought the statues to life. The two approached each other a bit shyly, but soon dashed for the bushes, from which shortly emerged a good deal of giggling, laughter, and shaking of branches.

Fifteen minutes later, the two statues emerged from the bushes, wide grins on their faces.

"You still have fifteen more minutes," said the angel, winking at them.

Grinning even

more widely the female statue turned to the male statue and said, "Great! This time you can hold the pigeon down and I'll shit on it's head."

A man wearing a mask bursts into a sperm bank with a shotgun.

"Open the safe!" he yells at the girl behind the counter.

"But we're not a real bank," replies the girl.

"We don't hold money!"

"Don't argue just open the safe or I'll blow your head off!"

She obliges and opens the safe door.

"Take one of the bottles and drink it!"

"But it's full of sperm" the girl replies nervously.

"Don't argue, just drink it," he says.

So she pries off the cap and gulps it down.

"Take out another one and drink it too!" he demands.

The girl drinks another one. Suddenly the guy pulls off the mask and to the girl's amazement it's her husband!

"See, not that bloody difficult, is it?" he says.

A vampire bat came flapping in from the night covered in fresh blood and parked himself on the roof of the cave to get some sleep. Pretty soon all the other bats smelled the blood and began hassling him about where he got it. He told them to go away and let him get some sleep but they persisted until he gave in.

"OK, follow me," he said and flew out of the cave with hundreds of bats behind him.

Down through the valley they went, across a river and into a forest full of trees. Finally he slowed down and all the other bats excitedly milled around him.

"Now, do you see that tree over there?" he asked.

"Yes, yes, yes!" the bats all screamed in a frenzy.

"Good" said the bat, "Because I fucking well didn't!"

A woman says she wants to have plastic surgery to enlarge her breasts. Her husband tells her, "You don't need surgery to do that. I know how to do it."

The lady asks, "Really, how do I do it without surgery?"

"Just rub toilet paper between them."

Startled, the lady asks, "How does that make them bigger?"

"I don't know, but it worked for your arse."

A couple took their young son to the circus and when the elephants appeared, the boy seemed very intrigued by them.

"Mummy, what's that long thing on the elephant?" he asked.

"That's the elephant's trunk, dear," she replied.

"No, not that. What's that long thing that's hanging between the elephant's legs?" Asked the boy.

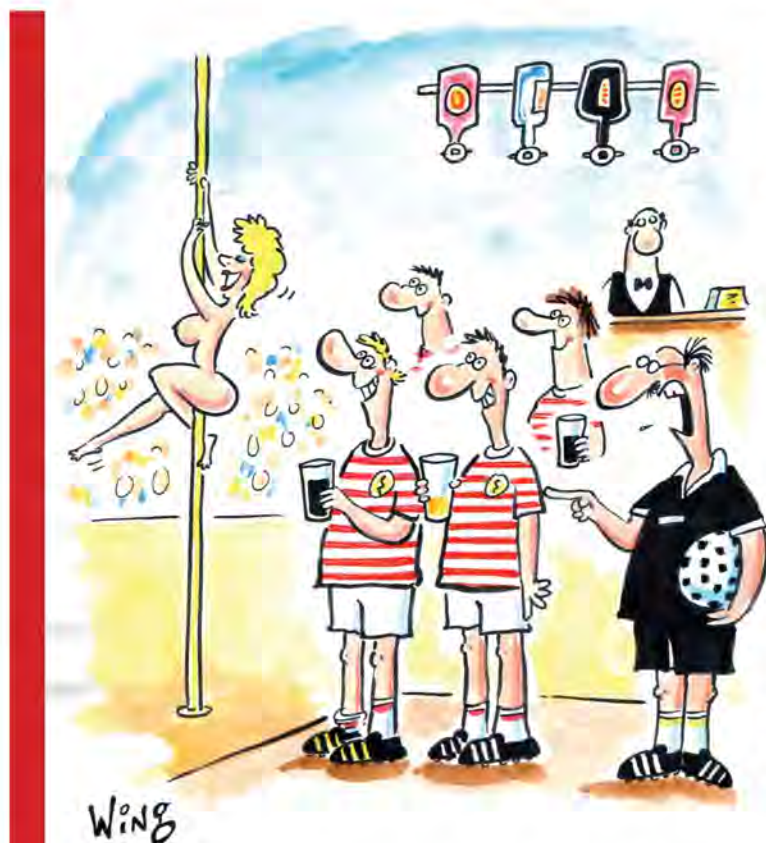

Feeling rather embarrassed, the mother replied, "Oh, it's nothing, son."

She then left to get refreshments. While she was gone, the young boy turned to his father and asked, "Daddy, what's that long thing hanging between the elephant's legs?"

"That's the elephant's penis, son," explained the father.

"Well, why did mummy say it was nothing when I asked her?" The boy asked.

Taking a very deep breath, the father smiled and proudly replied, "I've spoiled that woman, son!"

"I won't warn you lot again about these goal celebrations!"

The blonde came to the door and the milkman said, "I found your note to leave 30 pints of milk. Did you mean 3 pints?"

The blonde said, "I want 30 pints of milk. I'm going to fill my bath up with milk and take a milk bath."

The milkman asked, "Do you want it pasteurised?"

The blonde thought for a moment and replied, "No, just up to my tits will be fine. I can always splash it on my face."

Mmm, I reckon it's time we introduced another newbie to the *Mayfair* ranks, and this time we've headed north of the border to hook-up with Scottish stunner Cassie Clarke! We can't think of many boxes we've got that she doesn't tick in fine style – and when she'd not peeling off for us, she likes to keep busy doing burlesque dancing. Frankly she sounds (and looks) like just about the perfect woman, doesn't she?!

Scene from MAYFAIR

This issue we travel from the mean streets of Naples to the mean streets of London, via the (not really especially mean in the 1950s) streets of New York!

GOMORRAH SEASON 3

Once upon a time fans of Italian TV in the UK had to make do with *Inspector Montalbano*, the eye-pleasing detective series pitched somewhere between *Inspector Morse* (they must have sat side-by-side on the DVD shelves!) and *Death In Paradise*. Still, in recent times Sky Atlantic's been airing an altogether grittier Italian crime caper in the shape of *Gomorra*, a Neapolitan-set mafia series that was spun off from the film (and book) of the same name – a book that got the author in so much hot water with underworld bosses that he's still living under police protection 12 years after its publication. The TV series is a fictional affair, and is reminiscent of *The Sopranos* – never a bad thing for a mafia TV series! Salvatore Esposito plays the new boss with a fantastic combination of menace and little-boy naughtiness, and oversees his organisation's expansion, with all the brutality that necessarily entails. Gripping, top-notch telly!

MARTY

Can you name either of the only two films to have won both the Palme d'Or and the Best Picture Oscar? Well, if you've got any sense you'll be suggesting *Marty* as one of them – and you'd be bang on! The other, incidentally, is Billy Wilder's deliriously alcoholic *The Lost Weekend*. And yet, who now remembers *Marty*?! Starring Ernest Borgnine – best known for playing grizzled vikings, cowboys and his turn in TV's *Airwolf* – it's the tale of a shy New York butcher who doesn't seem to have the knack when it comes to attracting women. However, things start to look up after he meets equally shy Clara (Betsy Blair) and love starts to blossom. Sounds a bit slender, doesn't it? However, the film's brim-full of charm and bagged no fewer than 4 Oscars in total (including Best Actor for Borgnine) and now, on Blu-ray, it looks better than ever!

SAVE ME

Given that this drama aired on Sky Atlantic, I was a little wary of the gushing review it received in *The Times* (too many shareholders in common!), but now I've had a chance to watch the series I can see they were on the right track. Lennie James – who seems to be in everything worth watching these days, from *The Walking Dead* to *Line of Duty*) plays 'Nelly' Rowe, a chancer who makes ends meet one way or another on the streets of London, feckless and fighty, but also charming in his way... and all's well enough until his virtually estranged teenaged daughter disappears, at which point Nelly finds himself under suspicion. It's a common enough McGuffin, but thanks to the bang-on script and acting (co-stars include *Doctor Foster*'s Suranne Jones and *Boardwalk Empire*'s Stephen Graham) this is sure to get you hooked.

BLONDIE

Age: 26 Vital Stats: 35C-27-35 5'4"
Photographer: EXP/Hicks

Of course for anyone of a certain age the name 'Blondie' will conjure up images of the diving Debbie Harry singing some of her band's sublime hits from the 70s and 80s, but hey – that was quite a long time ago now, and we reckon it's high time someone else laid claim to the name! And let's face it, Blondie here's got as good a claim to the title as anyone! We were very taken with her when she first appeared towards the end of last year, but if anything she's only gone and trumped that appearance with her choice of lingerie here. One way or another, we hope to be getting her back again soon!

MAYFAIR Movies

Been wondering what several of the world's finest porners have been getting up to of late? Well if you watch these three toppermost scud-flicks you'll get some idea...

Wicked Pictures

CORRUPTED BEAUTY

CAST: Ella Hughes, Misha Cross, Stella Cox, Henessy, Samantha Bentley.

You'll need to pay attention at the start of this one, because while we open with Stella Cox clad in red latex fantasising about what being with a woman might be like (erm, I'm sure she knows!), we mysteriously segue into a scene in which it's Misha and Ella in the red rubber – and they're busy finding out what being with a woman is like, playing with each other's stiff nips before a gimpy stud arrives in an outfit that only has holes for his mouth and his knob. Thankfully that's all the girls need, and the mystery man gets to plunder both their juicy pussies, with plenty of pussy to mouth fun along the way before he splashes off over Ella's snizz and above Misha's face. Mmm – a strong opener, and given that Henessy's next there's no drop-off in the tempo as Ryan Ryder fills his Scottish boots courtesy of her neatly-trimmed snizz. After that its time

Editor's PICK

for Stella to fulfil her fantasy, thanks to Sam Bentley – and they both clearly relish the encounter as they poke fingers, tongues and toys everywhere before finishing themselves off with a couple of magic wands. Ella and Misha both get a good knobbing in the final two scenes, with Misha letting stud George have a crack at her jacksie for good measure. **Available from your local sex shop.**

Private

FEMALE SEX THERAPIST

CAST: Kristy Black, Lovita Fate, Karol Lilien, Daphne Klyde, Brittany Bardot.

This one kicks off with psychotherapist 'Dr Anderson' who has, apparently, been encouraging her clients to achieve their potential by having lots of sex. Well, no wonder her client book is bulging – and luckily for us, it turns out that a lot of her clients are top notch porno flampers! Brittany needs some advice after a divorce – and her therapist tells her to get on with fucking her new boyfriend, so that's what she does, getting a good porking fore and aft before getting a goodly helping of goo. From there on in her clients need very little encouragement to get it on with all and sundry, including each other. Kristy Black's very cute, and her vanilla shafting is all well and good, but it's when Daphne and Karol share a cock that things crank up a gear, with a good bit of P2M and A2M along the way. Tasty blonde Lovita gets a creampie shafting in the shrink's office, before Brittany returns to prove she's a fast learner by getting in the middle of a heartfelt DP. What better to put a divorce behind you, eh?

ASIAN CONNECTION 2

CAST: Breanne Sparks, Ember Snow, Saya Song, Jade Luv, Kimberley Chai.

Cute Breanne is clearly in the mood for some lovin' – after a bit of posing around the house she settles back in the sofa and starts to rub one out. Well, she's in luck, because she's barely started before in strolls Mr Pete. They exchange grins and he gets stuck in, unlacing her high heels and slobbering over her feet before concentrating on the are directly between her two big toes. He ends up wedging four fingers up there before whipping his knob out and giving her a chance to demonstrate her oral skills,

which turn out to be admirable. The coupling that follows is never less than pleasing on the eye, and serves as a solid opener to what amounts to a very nicely shot flick all round. Ember

★★★★☆

and Jay give us a solid tatt-free, hairy pussied scene next, with some great reverse cowgirl along the way before her shapely boobs get a basting in harry monk. Saya's another one with fur downstairs, and she sucks a mean cock, too, slathering all over Seth Gamble's pole like a woman possessed. Kimberley, meanwhile, sports a blue barnet, plenty of tattoos and a very furry foo-foo, and is none the worse for any of those things as she rampantly rides her fella, before Jade and Tommy Gunn close out in a nice romantic pairing. Classy stuff.

LUNA

Age: 28 Vital Stats: 34B-23-33 5'8"
Photographer: DDF

Now that the weather's perked up we thought we ought to go for a little bit of exotica, and they don't come much more exotic than the stunning Luna Corazon here, with her magnificent kinky Afro and a body so hot it needs to be kept away from parched landscaped for fear of starting a forest fire! She was clearly pretty intent on pulling out all the stops for her *Mayfair* debut, as clearly shown by those stiff nips. To be honest it hardly seems fair that someone can have that much fun doing a day's work, but we'll let her off this time...

M

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

After I'd sat my A-Levels last summer some of my girlfriends and I went on holiday to Asia. We'd all been working part-time jobs at weekends until we had enough saved up. Naturally I

activities. My parents like to think I am still a virgin and I would never dream of telling them otherwise. I can easily imagine the trouble it would cause if they only knew what me and my mates actually get up

village of Patong where the night life was buzzing, with plenty of bars and restaurants and clubs open all night. It did not take long to settle in and we headed down to the beach to sun ourselves. Within the first hour we were being chatted up by a group of boys from Australia, who had come for the water sports (no, not that sort!).

Age: 20
From: WINDSOR

That evening we went with them to one of the clubs, and as I found the hot Thai food made me thirsty I began to drink quite a lot of beer. We were all getting along really well, and, as usually happens, we split up into couples. I was lucky enough to find myself with Pete, easily the most rugged and sporty of the lot.

I was becoming hot as we danced together and I could feel his hard abs through his T-shirt. In the heat the drink must have gone to my head more quickly, because I was soon feeling seriously horny. Pete had his hands right up inside my dress

and was publicly fondling me, and, while I would never have allowed this in the UK, in this tropical holiday village on the other side of the planet it seemed almost normal.

I whispered to Pete to take me outside. I did not have to spell it out as he already had a stonking hard-on, so we left the club and walked out to find a place to take care of our needs. There was a warm sea breeze, and we found a secluded spot on the promenade by the beach where we began kissing and touching.

His warm hands felt so good as he caressed me, stripped my top off and fingered my breasts. We may have been in the shadows but we could still hear people passing and the thudding music from the club. But this only seemed to make our encounter all the hotter.

My heart pounded as he sucked on my stiff nipples, nibbling and tweaking them and sending exquisite little electric tingles all over my body. I felt the heated moisture grow between my thighs as my urge to be fucked intensified and my fingers fumbled at his trouser-front. He backed me forcefully against a wooden picnic table, kissing me as he eased me back so that I ended up with my top half draped across it.

I was shaking with excitement as his lips, tongue and teeth trailed down my body, nibbling, kissing and licking my tingling flesh. Quickly he flipped up my short skirt and I moved my hips to help him remove

promised my folks I would be careful and that I would not allow myself to become drunk or get involved in any sordid sexual

to! We started our tour in Thailand on the island of Phuket, a beautiful place with long white sandy beaches, and stayed in the

my sopping wet panties. As his face hovered over my sex I felt his breath across my pussy and I quivered with arousal as his tongue flicked between my labia.

He was plainly experienced at cunnilingus and my heart rate

MY PUSSY CLENCHED AROUND HIS BIG SHAFT AND MY BACK ARCHED AS I FELT MY FANNY BEING SHUNTED INTO A FABULOUS SPASM.

quickened as he parted my labia and began sucking hard on my throbbing clit. I was fucking begging him to keep going as he began pinching my nipples while still eating my pussy. With a sure touch he made me come, tonguing me expertly, making my whole body tremble as I finally succumbed to the throbbing sensations which erupted in my groin and convulsed my body.

Even in the gloom I could make out the smile of pleasure on his face as he raised his head from my pussy. Loosening his jeans,

he pulled then down from his hips, and, grabbing my legs, whispered to me to wrap them around his back. Then he pressed his cockhead firmly against my pussy. I could hardly bear the wait before he impaled me, and tightened my legs hard around him, forcing his cock deep inside my tight hole.

As Pete began to thrust I moved with him, our bodies rocking back and forth. My pussy clenched around his big shaft and my back arched as once again I felt my fanny being shunted into a fabulous spasm. Well-coated from my juices, his cock slid easily in and out, and before long he was slamming me towards my second orgasm of the evening. As the ripples of pleasure began to fade, I started to giggle, thinking of the promises I had made to my parents about being "a good girl", and with these silly thoughts still running through my head I let Pete reposition me on the grass, pulling my hips up so my arse was cocked in the air and very ready for him.

I couldn't help smiling to myself as I realised that this bloke had worked out exactly how I like it. Pete slipped back inside me, filling my pussy with his rock-hard erection. His hand reached around my waist and cupped a breast as he thrust deeply inside me. Thrusting in and out, he continued to toy with my boobs, making me groan as he pounded into me from behind.

Then he did something I had never experienced before. He bunched my hair in one hand and began lightly tugging it, forcing my head to tilt slightly back as he thrust his cock inside me. I fought for breath as the hot night air made our bodies sweat and the sound of flesh slapping against flesh rang in my ears. I felt the waves of pleasure starting again, then Pete growled and filled me with his spunk, sending me into further paroxysms of excitement before collapsing beside me.

After that I was at his mercy for the remaining few days we were on the island. My parents thought I was busy sightseeing, but the only sight I was seeing much of was the one Pete kept in his boxers! I had to pretend to have deleted a load of images by mistake when I got home, and they're none the wiser!

"HIS HAND REACHED AROUND MY WAIST AND CUPPED A BREAST AS HE THRUST DEEPLY INSIDE ME."

I'm not exactly what you'd call a foodie – I eat because I need food to live, so it stands to reason that I've never had any interest in cooking. My lack of culinary skill has never bothered me before; none of my previous boyfriend's tastes have elevated much above Pizza Express, so gourmet meals were never even a thing. That is, until I met Mason.

Having come from quite a well-off family, Mason's not only used to eating in nicer places but he kind of expects it. He's quite proud of the fact that he's never eaten a McDonald's or Harvester and wouldn't be seen dead in a Wetherspoon's. And when we're eating out it's not a problem, we simply go to the places he suggests. However, the first time Mason came round for dinner, it turned me into a gibbering wreck!

I really wanted to impress him (although I had warned him that I was less than a genius in the kitchen), so I asked my best friend, Polly, who's at catering college, if she'd come over and give me a few tips. But it didn't take long before she'd written me off as a complete idiot too, and asked me how I'd managed to stay with Mason so long and get away with it. She'd been acting a bit uppity over it and getting on my nerves, to be honest, so I said, "Maybe some of us don't NEED to cook." A bit of a low blow because I knew full well she hadn't been with a bloke for almost a year. I immediately regretted it, especially as her face fell as soon as it left my mouth. I apologized and gave her hug and she agreed to cook Mason dinner if I gave her a makeover. I trained as a make-up artist, so my friends are always offering help in exchange for a free

pampering. It works well for me!

It wasn't until the next day that an idea occurred to me. Polly and I had been friends since primary school and I had only been with Mason a few weeks, Mason was

evening. I was seriously in awe. So, when she'd finished, I poured us a glass of wine and went about doing her make-up and hair beautifully. When we were done, I showed her in the mirror and she seemed

bowled over. I persuaded her that a new look should always be accompanied by some sexy undies, just to show how amazing she'd look, and sorted out a particularly

cute outfit. She was slightly bigger than me so her boobs were half-spilling out of the tight silk and I knew Mason wouldn't be able to resist her.

I got in behind Mason and started massaging his shoulders, kissing his neck and blowing in his ear. "So what do you reckon to Polly's makeover, then?" I

THEY LOOKED SO SEXY TOGETHER, POLLY'S BOOBS WOBBLING AS MASON GAVE IT TO HER HARD.

whispered loudly.

Polly smiled flirtily and let the silky robe I'd lent her fall open to reveal the sexy

"POLLY SMILED FLIRTILY AND LET THE SILKY ROBE I'D LENT HER FALL OPEN TO REVEAL THE SEXY UNDIES I'D PUT HER IN."

gorgeous and really good in bed and Polly was so desperate for a shag that I'm sure she'd worn out her Rampant Rabbit! So, I decided to invite Polly round one Saturday

evening for food and her makeover – obviously the food would be of her doing!

Mason works during the day on Saturday, so Polly came over early afternoon. She spent a couple of hours talking me through a few fairly basic but relatively impressive dishes that I could make on my own, while knocking up some food for that

By the time Mason came round, Polly and I were half-cut and she was feeling much braver than usual! So she hadn't bothered to change out of the sexy outfit and was floating around like a movie star, and as she served the food, I could tell he was getting horny at the sight of her. I decided to put my plan into action.

undies I'd put her in. "See? He's not looking at the food is he?" I commented, running my tongue around his ear, making him shiver. But he surprised me – instead of grabbing Polly for a snog as I expected him to, Mason asked me, "Is Polly gonna get a kiss too?"

Having never been with a woman before,

Polly looked a little nervous but she seemed up for it plus we'd knocked back enough wine to get over any awkwardness quick enough! So, when I moved in and planted my lips firmly on hers it didn't take her long to relax and soon we were snogging in front of Mason, Polly teetering in my high heels I'd told her to wear.

Mason really didn't care about his dinner now. He watched us, even though it was all pretty mild – a bit of tongue kissing and rubbing our tits together. But that didn't seem to matter to Mason, as he was obviously getting really turned on. He got up from his chair and moved behind me, reaching into my knickers to finger me.

This did it for Polly and she started rubbing up against me, grinding her hot mound against mine. I got her boobs out and Mason started touching her up, too, so he had a wet pussy in each hand. One obvious problem he suddenly found was that he couldn't touch himself like this!

I noticed his conundrum and, knowing how much Polly would be gagging for it right now, suggested that he look after my guest first. I winked at Polly and her

of it, lying back so he could get in between her legs to fuck her properly.

They looked so sexy together, Polly's boobs wobbling as Mason gave it to her hard. I started frigging again, eyes now drawn to their wet crotches as my own pleasure built again. I got a sharp twinge in my pussy as I saw him use his thumb on her clit – I knew exactly how good that felt and I wasn't surprised when her body spasmed as she climaxed. Then, after she'd come, he pulled out and wanked himself all over

grin told me that she was well up for it. He paused, making totally sure I meant it, then the two of them pounced on each other. Mason kept his fingers in my hole, frigging away as I played with my clit. I came, but he kept it up until I pulled his hand free of my crotch. It was dripping with my juices, and I watched as Polly sucked his fingers clean.

Now I was seeing my best mate and my new boyfriend screwing. They'd started out standing up, Mason pulling Polly's knickers sideways so he could penetrate her cunt. But she hopped up on the table, arse on the edge

her stomach, covering her smooth flesh with his creamy spunk.

That was only the beginning of the fun – shortly afterwards we took a bottle

I PULLED HIS HAND AWAY FROM MY CROTCH. IT WAS DRIPPING WITH MY JUICES...

of fizz upstairs and enjoyed each other thoroughly. It was a revelation to myself and Polly, who have continued having the odd night of passion together, although Mason's almost completely out of the picture now after proving to be a bit of a twat. It turns out that Polly's a much better lover anyway, and it brings a whole new meaning to our girls' nights in!

Helen Wilkinson

MAYFAIR
Classic

When we last saw 21-year-old Helen Wilkinson in Vol 29 No 6 she told us about her habit of dirty day-dreaming on the train. This month we've caught up with her being equally filthy on a day out in the country — and we're not talking about getting muddy!

"There's nothing I like more than a fuck in the fresh air! And if you've never tried *al fresco* fellatio then you've definitely missed out on one of life's great pleasures!" confessed Helen with a giggle. "I like to take a fella to a secluded spot, spread a blanket on the ground and then unpack the picnic — which means stripping off, cos the only thing he's going to be nibbling at is me!" **M**

PHOTOGRAPHS BY STEVE COLBY

MAYFAIR Classic

So this set from 29 years ago was, apparently, shot by one Steve Colby. Hmm, I wonder whatever happened to him? Oh, wait, hang on – he was in the office yesterday! Yep, he's still at it, you know – it's almost like the job of photographing stunning young ladies taking their clothes off holds more appeal than a dignified retirement! And to be honest, who could blame him? After all, he's been cracking out corking sets like this one of Helen since photography training meant learning to say "Watch the birdie!" at the right moment.

MAYFAIR

Vol.53 No.7

On Sale June 27th

Oscar Wilde once quipped that work was the curse of the drinking classes, and although he had a point, here at *Mayfair* we're not averse to putting in a few hours here and there in between trips to the pub. After all, there are plenty of health warnings about booze knocking about these days, and it's best to take a few hours of the day off – and what better way to while away those few hours a day than in the company of some of the loveliest ladies in the land, all peeling off for our delectation! Next month it'll be the likes of Jasmine and Lucy keeping us temporarily on the wagon!
